To All Rain Bird Customers

**Quick Parts Service
(QPS)**

In response to numerous inquiries about the Rain Bird QPS Program, we want to clarify the parameters and benefits this popular service provides to our Genuine Rain Bird Parts customers.

In short, QPS provides 24 hour warehouse turnaround on emergency "Parts Only" orders from our Azusa, California warehouse. Customers serviced from our Birmingham, Alabama warehouse received 2nd Day QPS service. Not all Replacement Parts are included in this program as many are not required for emergency replacement. Please contact your Customer Service Representative with questions regarding parts not included in this program.

In order to keep this popular program available to our customers, QPS is to be used only for "emergency response" situations when you or your customers need Rain Bird Replacement Parts quickly.

NOTE: Distributor Stocking Parts Orders do not qualify as QPS and can be changed to standard delivery with shipping cost at Rain Bird's judgment.

To utilize the QPS program, just follow these four simple steps:

1. **A Separate P.O. must be issued for each QPS order.**
2. **QPS must be Requested; verbally, written on the order, or coded accordingly when transmitted via EDI or Self-Service.**
3. **QPS orders contain Emergency Replacement Parts Only (no whole goods).**
4. **Do not include Replacement Parts for stocking purposes on your order (QPS is for emergency Replacement Parts only).**

Customers serviced from our Azusa, California warehouse:

QPS ships Fed-Ex Ground, prepaid, on all Emergency Replacement Parts orders over \$250 net (additional charges apply for requesting alternate shipping). Qualifying orders will be shipped within 24 hours of the order being received.

The intent of this program is to keep Rain Bird customers "up and running"– when they need us the most!!!

Rain Bird QPS – "keeps you up & running"
