Rain Bird wants to help every user get the most out of their powerful Rain Bird software. Our Global Service Plans enable you to stay in control, optimizing performance, controlling costs, and preventing downtime. They provide the tools you need to secure your system, keeping it up to date and running smoothly 24/7/365. Our dedicated team of engineers delivers remote maintenance and technical support when you need it. Plans are only for the Cirrus™ Classic, Nimbus™ II, Stratus™ II, and StratusLT™ systems.
