

LC Series – Light Commercial Pump Station

A Pump Built For Irrigation

Only Rain Bird is able to provide totally integrated irrigation solutions that dependably deliver healthy, beautiful landscapes while lowering utility costs, saving time and minimizing maintenance. When you install Rain Bird Pumps you can assure increased motor life and reliability that you can always count on.

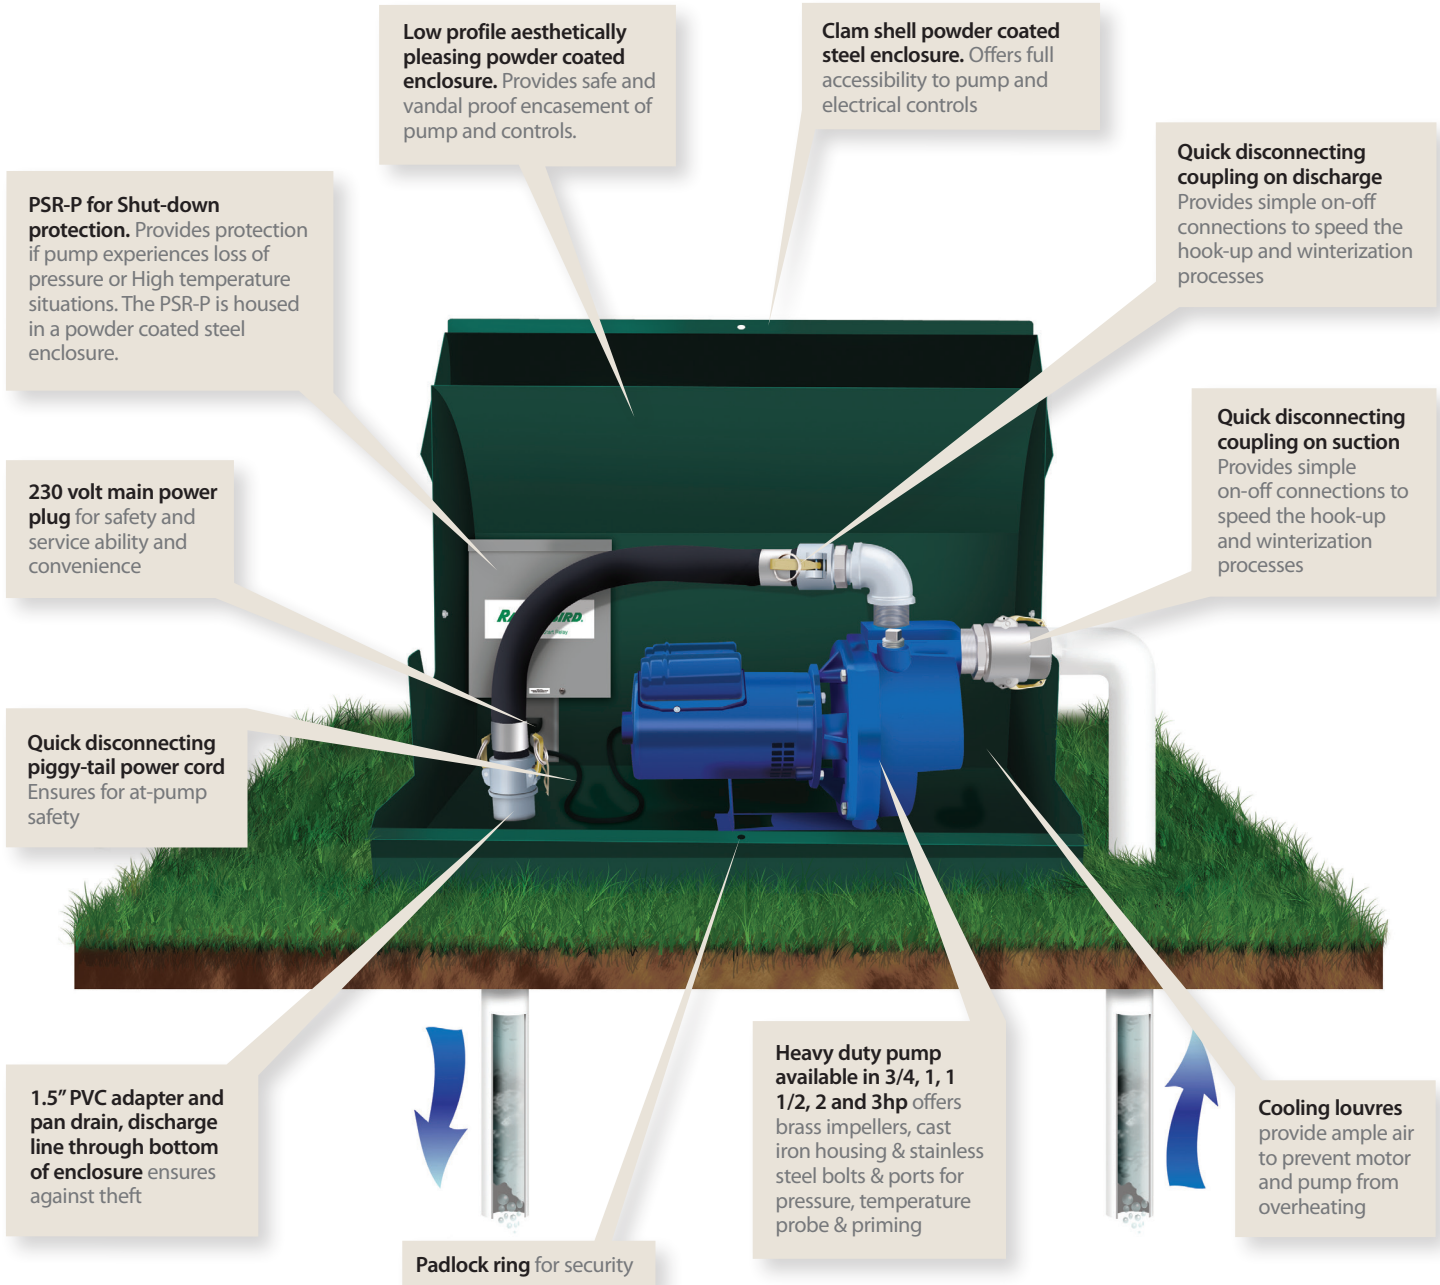

The LC Series by Rain Bird is a complete pump package that includes a professional-grade pump, the highest quality pump protection and simple to install and operate fixtures all housed in a unique enclosure designed specifically for a pump. With this complete solution the days of retro fitting often non-compatible parts together and housing them in a makeshift enclosure are over.

- Complete irrigation pump solution
- Available in $\frac{3}{4}$, 1, 1 $\frac{1}{2}$, 2 and 3 HP models
- Up to 62 psi boost pressure
- Quick disconnects for easy installation
- Powder coated enclosure for long lasting finish
- Pressure loss and high temperature shut down protection
- One Year Warranty
- Made in the USA

RAIN  **BIRD**®
