## ESP-9V Battery-Operated Controller

IP 68

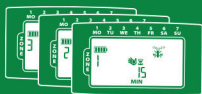

Install the ESP-9V anywhere,  
even underwater.

Dedicated manual  
watering button.

Quick to program using mode  
button.

If two or more zones have the  
same (or overlapping) start times,  
the controller will run the zones  
one after the other.

Try the tougher, longer-lasting ESP-9V.
