

Why Choose a Rain Bird Select Contractor?

Gain peace of mind by selecting a Rain Bird Select Contractor to install the best products and offer the highest professional service.

By hiring a Rain Bird Select Contractor, you can rest easy knowing that your automatic sprinkler system was properly designed and installed using innovative, high-quality, water-efficient irrigation components. This is because Rain Bird Select Contractors must follow rigorous professional standards and are committed to using Rain Bird products.

Installing an automatic sprinkler system is the smart choice to ensure your landscape stays healthy throughout the year, whether you're home or away. Take the guess work out of choosing an irrigation and landscape contractor and select a Rain Bird Select Contractor – it's the easy, worry-free choice.

Installs the Best Products

A Rain Bird Select Contractor® will choose high quality and innovative Rain Bird products to fit your unique needs now and in the future.

Experienced, Trained Experts

Rain Bird Select Contractors are industry leaders and maintain irrigation industry certifications for their crew members.

High Professional Standards

A Rain Bird Select Contractor has demonstrated a history of high-quality service and is committed to the Select Contractor Code of Professional Responsibility.

For Exclusive Contractors

Select Contractor Point Earning Levels

	Rain Bird Purchase Level	Select Contractor Rebate %
LEVEL I	\$10,000	4%
LEVEL II	\$15,000	4.5%
LEVEL III	\$30,000	5%
LEVEL IV	\$75,000	5.5%

Points are available when you reach \$10,000 in purchases annually. You move levels when your purchases reach amounts listed.
