Referral Contractor Code of Professional Responsibility

In keeping with the highest standards of professionalism, a Rain Bird Referral Contractor will strive to:

- Use at least 80% Rain Bird Product on each project that Rain Bird sends
- Continuously meet the licensing and insurance standards required by local and state regulators
- Respond to Rain Bird referrals promptly
- Be prompt for all sales calls and site inspections
- Ensure that crew members and company vehicles present a consistent, professional image
- Treat each customer with respect
- Provide each customer with a thorough system proposal, including an explanation of the work to be done and the time required to complete the work
- Provide quality system design and installation using professional grade products in accordance with industry standards and applicable codes
- Provide the homeowner a thorough "walk-through" of the completed system including
- Exceed customer expectations by leaving each job site in the best condition possible
- Respond to service calls promptly (Return telephone calls within 1 to 2 business days to arrange an appointment for service)
- Take advantage of opportunities for professional and educational development
- · Conduct all business dealings in a legal and ethical manner
- Agree to have at least one person on every irrigation crew with three Rain Bird Factory Trained designations

Any Rain Bird Referral Contractor who does not adhere to these responsibilities or who provides substandard installation or service quality may be removed from the program.
