The NGCOA Smart Buy member rebate program benefit, paid to the member golf course and based on the final selling/award price, is for NGCOA member courses that purchase Rain Bird Golf Products in 2018. Golf Products include the following categories, as identified in the Rain Bird Golf Catalog located on the Rain Bird website at www.rainbird.com/golf/catalog:

- Golf Central Control
- Advanced Control Technologies
- Golf Field Control Systems
- Gear Driven Rotors
- Golf Valves
- Golf Pumps and Filtration

Rain Bird Landscape products (as identified on the Rain Bird website referenced above) that are used on a golf course are excluded from the Smart Buy Program Rebate.

A complete and accurate copy of the member purchase invoice corresponding to the rebate claim is required, which invoice a) must be from an Authorized US Rain Bird Golf Distributor or a Contractor who purchased from an Authorized US Rain Bird Golf Distributor and b) must include a description of the item purchased, purchase date and price paid to the Distributor or Contractor. This form is only valid for 2018 purchases. Rain Bird may require additional information if unable to identify the product via the invoice. All claims must follow the Smart Buy Terms and Conditions for Rain Bird product purchases.
