

The Rain Bird Rewards program offers a significant incentive for purchasing Rain Bird Landscape Irrigation Product.

Here's how you can help your customers maximize the program benefits.

Reporting your customers' purchases ensures they earn points on all of their purchases and is the quickest way for them to receive the points they have earned.

1. Electronic Purchase Reporting Template: If the contractor has a Rain Bird Rewards number, we would like you to use the 'Existing Contractor Format' template to report their purchases. If the Contractor does not have a Rain Bird Rewards number, please use the 'New Contractor Format' template.

3. In addition to the purchase you have been sending, please include the additional contractor purchase information to include: "Invoice Date", "SKU/Part #", "Item Description", Quantity, and "Extended \$ Amount".
