### About Rain Bird Factory Trained:

- Classes focus on expert-level best practices for Rain Bird products and systems.
- An exam will be given after taking the class. If you pass the exam you will be designated as "Rain Bird Factory Trained."
- Successful completion of these classes qualifies for the training requirement to maintain your Select Contractor status.
- Designations are valid for 3 years and you will be given a certificate and designation mark to use in your marketing materials.

\* Free to Select Contractors
