Your customers want quick access to their Rewards points.  
You can make it happen!

## How it works:

- **Within 5 business days** – Distributors send their customer purchase report to Rewards
- **Within 15 business days** – Rewards posts your customers' points
- **On day 16** – Rewards sends announcement to Rewards contractors that their points are now available from purchases made at participating distributors
- **Customers will now have quick access to their Rewards points!**
