

SUBJECT: One-Piece Pressure Regulating Shrub Adapters

MODELS AFFECTED:

Model	Product ID	Description
PA8SPRS	A46500	PRESSURE REGULATING SHRUB ADAPTER 30PSI
PA8SP45	A46501	PRESSURE REGULATING SHRUB ADAPTER 45PSI

IMPLEMENTATION DATE CODE: June 2023

Introduction:

Rain Bird has updated the design of the Pressure Regulating Shrub Adapters to a single molded piece. This change will take place during the month of June. Going forward, the 30PSI and 45PSI indicators will be embossed onto the product. Model numbers, product IDs, and UPCs will be the same as their previous versions.

Previous Version

New Version

Interchangeability:

The new version will still have a 1/2in NPT inlet. The previous product height was 5.2in and the new product height is 3.4in. The new adapters will maintain WaterSense Certification.
