## New Product Bulletin

Introducing Root Booster Series

October 2023

---

**ROOT BOOSTER**

**STRIPS**      **NETS**      **SLEEVES**

**RAIN BIRD**      *Take water exactly where plants need it – TO THE ROOTS*

The advertisement features a photograph of a grey, flexible root booster strip being installed in a garden bed next to a green plant. To the right of the photo are three white icons representing different product types: a grid of vertical bars for "STRIPS", a diamond-shaped mesh for "NETS", and a series of connected loops for "SLEEVES". The background of the entire advertisement is a dark green, textured surface.

Selected **Root Booster Series** products will be available for order by 11/5\*. The full list of products that will be available in December 2023 is below for your reference.
